### Brief History

Kannon Do,Mountain View Zen Meditation Center is the outgrowth of Haiku Zendo, established by Zen master Shunryu Suzuki Roshi in 1964 in the garage of a private home in Los Altos,CA. In 1970, Haiku Zendo invited the respected Zen monk Kobun Chino to come from Japan to be its spiritual leader. By the late 1970's, the practice at Haiku Zendo had outgrown its facilities. As a result, Kannon Do was established in Mountain View in 1981.
